

Kay Dunkel to Coworkers: Go on and bug me!

Kay Dunkel organized a Decorate the Litterbug Contest for City Hall Annex employees to raise awareness about recycling. The contest was announced April 9 and ended on April 16. Entries were submitted from Josh, Kevin, Ramon, Carla, Sandy Kevin, Tom, Lindsay, Liesser and Jack. Liesser's take on a female engineer directing traffic took first place, Lindsay stole second with a decidedly feminine litterbug while Ramon's hooded knight riding on a chicken raced into third. Judges included Amber Edwards, Betina McCoy and Syndi Mcleland. Kay provided prizes promoting recycling to all participants and judges. Left, a look at all the entries: Thanks to Kay and all of the participants!
